

The New American

Author: [Paul Dragu](#)

Date: August 9, 2022

While mainstream media obsess over fake insurrections, fake sexes, fake “abortion rights,” and fake white supremacy, the very real threat posed by artificial intelligence marches on with little attention. In the second of two interviews, Paul talks with *Endgame* author Dennis Behreandt about the international oligarchs’ plans for a post-human future and how they may be planning to literally change your mind about it if you don’t like it.
