Protecting Your Children From YOU! | Behind the Deep State

In this episode of Behind The Deep State, host Alex Newman explains that the Deep State is coming for your children under the guise of “protecting” them from you. Every tyrant of the last century understood that brainwashing kids was the route to power. Now they are coming for yours. The United Nations has the Convention on the Rights of the Child that turns the government, not the parents, into the primary decision makers. In Scotland, this UN deal resulted in having a government bureaucrat oversee each child. The federal government and some states are seeking similar schemes. They hope to destroy the family because it is part of God’s design, and it’s a powerful bulwark against the tyranny sought by the Deep State.
