Shocking Revelation and Warning for Parents From SD State Senator Julie Frye-Mueller

Alex Newman, Senior Editor for The New American magazine, talks with South Dakota State Senator Julie Frye-Mueller at the Red Pill Expo in Rapid City, South Dakota. A dedicated patriot, Senator Frye-Mueller details what she has found in school handbooks and issues a warning for all parents that these handbooks, if signed by parents, can give schools the legal go-ahead to perform “non-emergency” invasive physical exams on children that can even include exposure of private body parts and incision, insertion and injection into the body.
