In this eye-opening interview, Rebecca Terrell of The New American magazine sits down with Dr. Leonard G. Horowitz, renowned author of *COVID Coup: The Rise of the Fourth Reich* and pioneer in frequency medicine. Dr. Horowitz connects the dots between Jeffrey Epstein's recently released files, Bill Gates' biotech investments, Arizona State University's Michael Crow and his CIA-linked In-Q-Tel, and the documented orchestration of the Covid-19 response as part of a larger Deep State racketeering and population control scheme. He discusses mind control through media, AI biosurveillance (Project Stargate), mRNA "vaccines" as gain-of-function bioweapons, transhumanism threats, and spiritual warfare for "survival in an age of chaos." Horowitz also shares details on his new documentary *The Gates-Epstein Cover-Up* and his latest book *Spiritual Warfare, Salvation and Survival in the Age of Chaos*.
