Spiritual Warfare: Putting on the Armor of God

Dr. Dan Schneider is an Adjunct Professor of Theology at Franciscan University of Steubenville who knows what it means to face enemies in mortal combat. He is a Gulf War veteran and former U.S. Army helicopter pilot. That military training, combined with his knowledge of spiritual warfare, led him to found Liber Christo, a movement that provides tools and resources for priests and laity in regard to their battles with demonic influence in the world.

Dr. Schneider is also a Benedictine oblate and member of the St. John Henry Newman Research Centre for Theology at the Maryvale Institute in Birmingham, England. He has been involved in Catholic teaching and evangelization radio for more than 20 years. He joins *The New American* senior editor Rebecca Terrell to discuss his latest books, *The Liber Christo Method: A Field Manual for Spiritual Combat* and *Spiritual Warfare Q&A*, both published by TAN Books.
