Steve Stern: Securing the 2024 Election

Steve Stern is an American entrepreneur and host of the [Stern American](#) podcast on Rumble. A firebrand for election security and regular guest on Steve Bannon's [War Room](#), Stern works locally in his district as the vice-chair of the Broward County Republican Executive Committee, leading efforts to clean up voter rolls and prevent election fraud.

Nationally, he works with groups like [ProtectTheVote.com](#) and [PrecinctStrategy.com](#) to train concerned Americans about how to become involved in election security efforts in their own backyards.

In mid-May, he conducted an important 8+ hour Election Security Call involving big names like Cleta Mitchell, Col. John Mills, Garland Favorito, and others, giving instructions about cleaning up voter rolls and removing illegal aliens from them. For access to the recording of this important call, contact Steve at: Sstern1054@gmail.com or 954-318-6902.

Stern's battle cry is, "Action, action, action!"

He visits with [The New American](#) senior editor Rebecca Terrell on his birthday, May 20: 83 years young and celebrating 70 years since he founded his company, [The Flag Shirt](#).
