

Thomas Massie VS The Deep State

U.S. Representative Thomas Massie (R-Ky.) responds to attacks from AIPAC and neocon Republicans over his principled and consistent opposition to all unconstitutional foreign aid, undeclared overseas wars, and the weaponization of the government. Rep. Massie makes a detailed and eloquent case for why Mike Johnson should be removed as speaker. Rep. Massie explains how Speaker Johnson is the speaker of the uniparty and the Deep State, rather than the speaker of the American people and Constitution. "Speaker Johnson is owned by the Democrats at this point," Rep Massie says. And to put a final nail in the coffin of the Deep State's globalist agenda, *The New American* also asks Rep. Massie about getting the U.S. out of the United Nations and all of its affiliate bodies.
