One of the major reasons voters elected Donald Trump was because they want the millions of illegals who've been invited here by the Biden-Harris regime deported. Recently, Trump admitted he is open to using military assets to carry out mass deportations. This wouldn't be the first time the U.S. government had carried out mass deportations. But if federal troops are used to do so, that *would* be a first. Constitutional scholar Joe Wolverton Jr., joins us to discuss the pros and cons of this controversial notion.
