UN Speaker Seeks Radical Population Reduction—Especially of Whites

A leading United Nations speaker, Oscar-winning Woodstock Director Michael Wadleigh, called for radical reduction of the human population—especially among white people. The reason why it is so important to reduce the population of Europeans and their descendants is because their nations are more developed and they consume more resources. Even Scandinavia and Sweden are destroying the planet, he said, warning that average Swedes consume 40 times more than average Tanzanians. As for the solution: “Don’t have children—and I’m looking at you, white man,” he told *The New American*.
