Should women who abort their babies be charged with murder? A vast majority of students polled at Turning Point USA's AmFest conference say yes. This strong opinion stems from youth who want to see pro-life policies that have enforcement capabilities and teeth, explained Ben Zeisloft, the communications director for the Foundation to Abolish Abortion, who conducted the poll, to The New American's Andrew Muller. Working in key states to pass pro-life legislation, the Foundation To Abolish Abortion is encouraging youth to unapologetically stand for life, get their churches involved, and support grassroots efforts to save babies.
