In Episode #9 of [Beyond the Cover](#), Gary Benoit interviews Selwyn Duke about his cover story “When Children Cancel Parents” in the September 6, 2021 issue of The New American. Though this may sound like a “man bites dog” story, Selwyn points out that kids canceling their parents is much more common than we’d like to think. But in addition to identifying the problem, he also explains why it is happening and what parents can do to protect their kids from the corrupting influences of today’s culture.
