# Israel-Hamas Ceasefire and Hostage Deal Reached

Israel and Hamas [have agreed](#) to a multi-phase ceasefire deal that includes the release of hostages.

According to an [announcement](#) from the White House,

The deal is structured in 3 phases. Phase one will last 6 weeks. It includes a full and complete ceasefire, withdrawal of Israeli forces from all the populated areas of Gaza. And, and the release of a number of hostages held by Hamas, including women and elderly and the wounded. And I'm proud to say Americans will be part of that hostage release in phase one as well....

Then when phase 2 begins, there will be an exchange for release of the remaining living hostages, including male soldiers, and all remaining Israeli forces will be withdrawn from Gaza, and the temporary ceasefire will become permanent. And finally, phase 3. Any final remains of hostages who have been killed will be returned to their families. And a major reconstruction plan for Gaza will begin.

During the first phase, Hamas has agreed to release 33 Israeli hostages, prioritizing women, children, and men over the age of 50. According to [Fox News](#), "The operation's execution relies on extensive coordination among the IDF, Shin Bet, Israeli Police, the Ministry of Health, the International Red Cross, and Egyptian authorities."

During the second phase of the deal, Hamas will release younger men and Israeli soldiers. Israel will return approximately 1,000 Palestinian prisoners during this phase as well, and start withdrawing from Gaza, allowing residents to return. Hamas will return deceased hostages during Phase 3.

## Taking Credit

President Biden and President-elect Trump are both taking credit for the ceasefire.

This is the ceasefire agreement I introduced last spring. Today Hamas and Israel have agreed to that ceasefire agreement. And the whole ending the war, you know, those of you who have followed the negotiations can attest, the road to this deal has not been easy. I've worked in foreign policy for decades. This is one of the toughest negotiations I've ever experienced.

Trump posted on TRUTH Social:

This EPIC ceasefire agreement could have only happened as a result of our Historic Victory in November, as it signaled to the entire World that my Administration would seek Peace and negotiate deals to ensure the safety of all Americans, and our Allies. I am thrilled American and Israeli hostages will be returning home to be reunited with their families and loved ones.

With this deal in place, my National Security team, through the efforts of Special Envoy to the Middle East, Steve Witkoff, will continue to work closely with Israel and our Allies to make sure Gaza NEVER again becomes a terrorist safe haven. We will continue promoting PEACE THROUGH STRENGTH throughout the region, as we build upon the momentum of this ceasefire to further expand the Historic Abraham Accords. This is only the beginning of great things to come for America, and indeed, the World!

We have achieved so much without even being in the White House. Just imagine all of the wonderful things that will happen when I return to the White House, and my Administration is fully confirmed, so they can secure more Victories for the United States!
